

LaDonte LeBlanc

Software Engineer

atlanta201626@gmail.com | 470-263-7110 | Atlanta, GA | [linkedin.com](#) | [github.com](#) | [Portfolio](#)

Objective: As a detail-oriented software engineer with a passion for artificial intelligence, data engineering, and cloud solutions, I am dedicated to designing visually captivating and intuitive websites. My expertise extends to both front and back-end development, allowing me to create seamless user experiences. Seeking an opportunity to apply my innovative mindset and proven track record of success within a globally recognized technology organization. My goal is to deliver high-quality web applications that exceed client expectations while continually enhancing my skills.

Software Development Skills - Visual Studio Code, HTML, CSS, JavaScript, MySQL, Node.js, Express, React, Bootstrap, Flexbox, API, GitHub, MongoDB, Postgres, Sequelize, ElephantSQL, Tailwind, Trello, Canva, Word, Excel

Education
